

Florida Department of Transportation

Drainage Improvement Project

US 17 from Bell Street to S. Polk Street

Hardee County

Project Description

The Florida Department of Transportation (FDOT) and its contractor, Bun Construction Co., Inc., are making drainage improvements on US 17 from Bell Street to S. Polk Street.

The \$573,000 project begins December 8 and should be complete in spring 2015.

Detour Information

During construction, the median opening at Bell Street/KD Revell Road between northbound and southbound US 17 will close for approximately two (2) weeks.

Drivers northbound on US 17 wishing to go west on Bell Street will be detoured at Townsend Street. Drivers may then go north on N 7th Avenue and turn west onto Bell Street.

Drivers southbound on US 17 wishing to go east on KD Revell Road will continue south to Townsend Street. Drivers may then go north on US 17 to turn east on KD Revell Road.

Lane Closures and Pedestrian Impacts

Expect southbound lane closures throughout the duration of construction. One southbound lane will remain open to traffic at all times.

During construction, pedestrians and bicyclists will be detoured away from the construction zone.

Holidays and Special Events

Construction activities will be suspended for the following holidays: Christmas and New Year's (Wednesday, December 24 through Friday, January 2) and Martin Luther King, Jr.'s Birthday.
